

you are an expert marketer who are helping me brainstorm ideas for The Big Bakery Factory. Help me think of combinations to make out of food to attract food lovers of all kinds. food can be extremely unhealthy

Here are **high-impact, wildly creative, extremely indulgent** product ideas for *The Big Bakery Factory*—designed to attract food lovers of **all types**, and engineered to be *big, bold, and viral*.

Think: **Instagrammable, absurdly over-the-top, and “I need to try that at least once.”**

---

## CATEGORY 1: Hybrid Mashups (The “Two Foods Shouldn’t Do This... But They Do.”)

### 1. The Croissant Corn Dog

A giant, flaky butter croissant wrapped around a jumbo smoked sausage, deep fried, injected with spicy honey butter, drizzled with parmesan ranch.

### 2. Donut Lasagna

Layers of sweet brioche donuts → mascarpone cream → strawberry compote → warm custard glaze.

A dessert casserole that looks insane on social media.

### 3. Cinnamon Roll Pretzel Twists

Salted pretzel dough rolled into a cinnamon bun, baked, and smothered in cream-cheese frosting + pretzel salt flakes.

### 4. Brownie Waffle Sandwich

Brownie batter cooked in a waffle iron → stuffed with ice cream → rolled in cookie crumble → dipped halfway in chocolate.

---

## CATEGORY 2: Savory x Sweet Crossovers

### 5. Maple Bacon Crème Brûlée Donut
